

The Dearborn County Veterans Monument is a living memorial that is used by many groups in Dearborn County. It has been designed as an open air theater, with a stage 42 feet wide and 20 feet deep, with the back of the stage containing memorial stones. The center stone is 10 feet in height, with the stones on each side declining to heights of 4 feet. The monument was constructed on the grounds of the Dearborn County Courthouse by the Veterans groups in Dearborn County.

Inscribed memorial bricks for veterans are placed on the stage floor of the monument. Inscribed bricks for other than veterans, (friends, relatives, organizations, etc.) are placed on the walkway leading to the monument.

The cost of a brick is \$40.00 and all proceeds go toward the cost and upkeep of the memorial. Each brick can have up to three lines of inscription with 13 characters per line, including spaces, punctuation marks, etc. Individuals will receive a written verification of their order upon receipt, indicating the copy that will be inscribed on the brick. Seven days will be allowed for a response should the information be incorrect. If no response is received the order will be processed as is. All orders are final.
