Transportation Comment Form

Please write down any additional comments or concerns you may have regarding transportation needs in Dearborn County. These comments will be distributed to the Advisory Committee Members and Plan Commission and taken into consideration.

Lack of sidewalks in most areas of the County

Need more park and ride opportunities throughout the County

Need more Public Transportation through the County

Should dearborn county look as mass transit opportunities

Economic development should be considered significant factor for road improvements

Housing development should be considered significant factor for road improvements

Lack of alternative routes for bicyclists and pedestrians

Need more round-abouts for better traffic flows in congested areas

OVER TO BACK

Need to enforce impact fees for any kind of new development (commercial/industrial/residential)

Dearborn County should invest in a transportation study for traffic patterns

Dearborn County should invest in a roadway safety study for current conditions and hazards of roads

Dearborn County should focus on adding new county roads

Need to work on community wide involvement plan for US 50 congestion and improvements

Improve county road intersections

County road conditions are poor

County road conditions are fair

County road conditions are excellent

Erosion/slippage is a major problem with county roads

Lack of planning and community involvement with local roadway improvements
