***Future Land Use Map Comment Form***

Please write down any additional comments or concerns you may have regarding changes or not to the Future Land Use Map from 2009. These comments will be distributed to the Advisory Committee Members and Plan Commission and taken into consideration.

Does the Future Land Use Map from 2009 need to be updated/changed or should it stay the same (staying the same would mean the County has not met the growth potential of the map making it necessary to change).

The Future Land Use Map should be changed

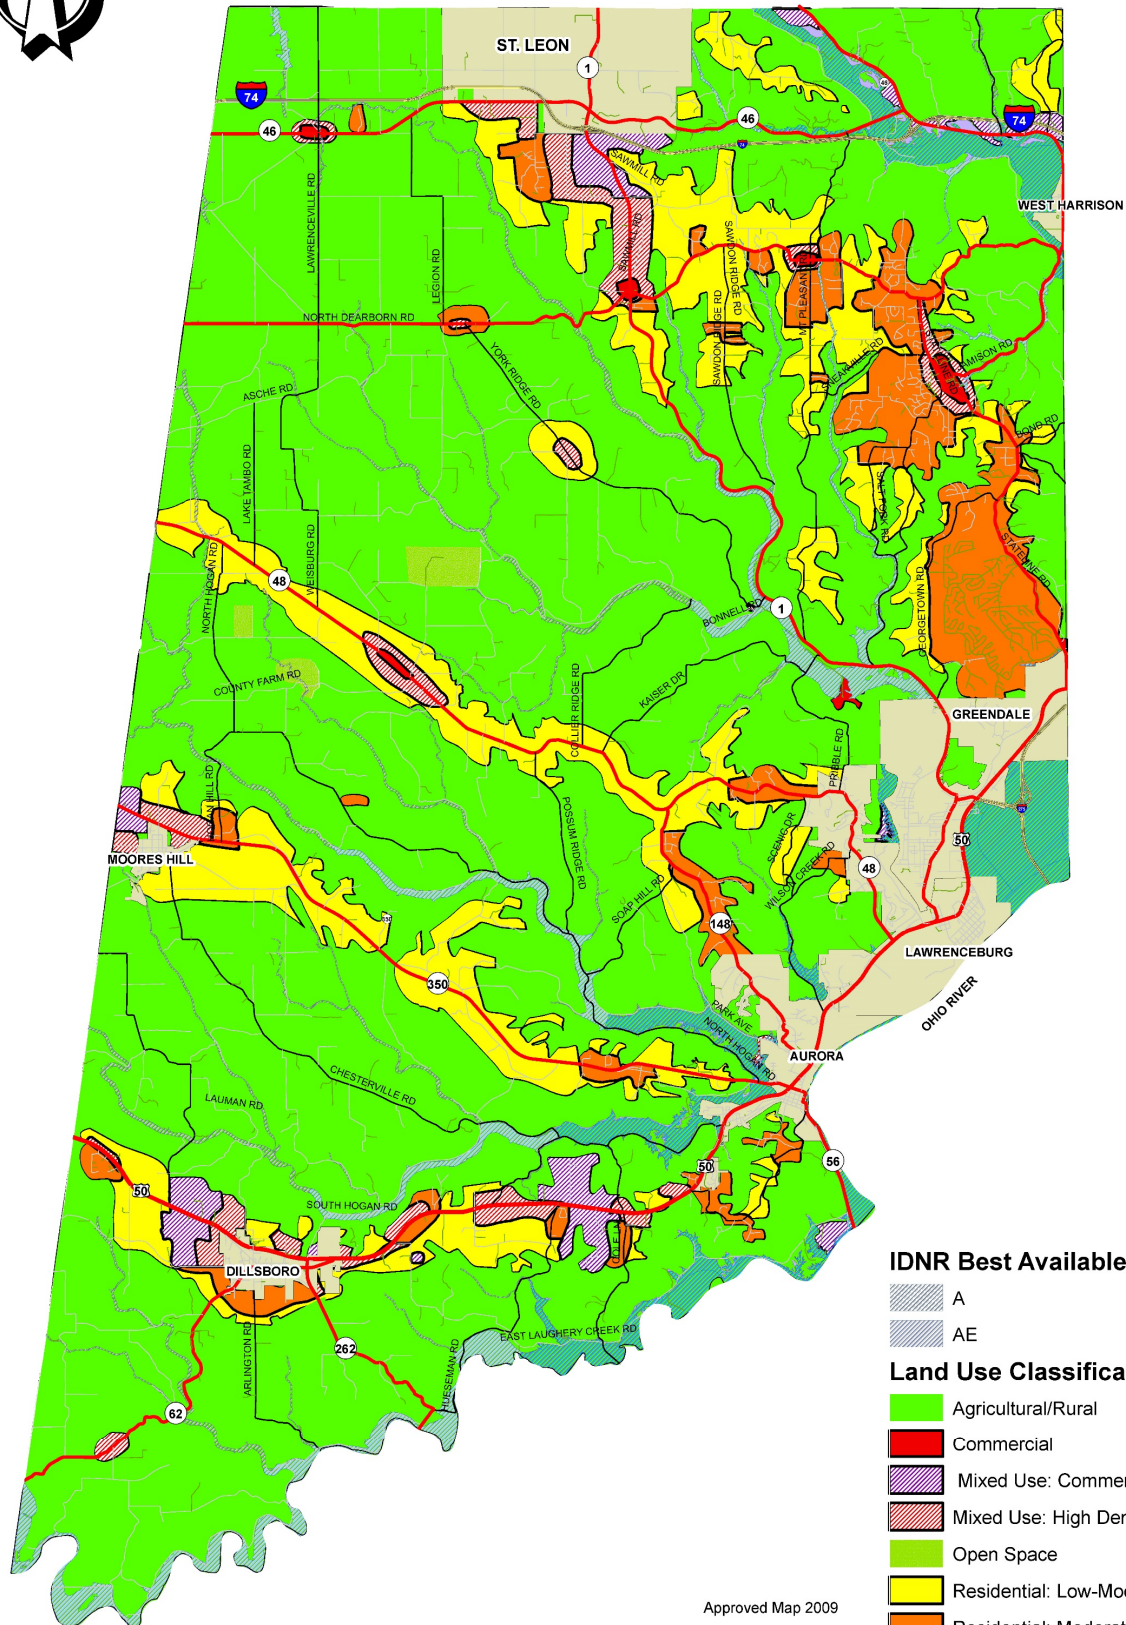

What Changes do you believe need to be made. Please show on the map on the back or write you thoughts below.

No, the map should not be changed.
