COMMISSIONERS COMMENTS
Rick Probst mentioned the 4-H Fair is going on. Many good young folks are involved. There is a good representation from Dearborn County with booths from Sheriff Department, Health Department and Solid Waste.
Art Little agreed the 4-H Fair is a good thing in Dearborn County. Said there is still a lot of orange barrels from constructions areas. He drove Salt Fork Road and it appears there is another slip that isn’t looking good.
Jim Thatcher went to 4-H Fair opening night and was impressed with the kids. They are a group that have all the right values. All associated with the 4-H Fair are top notch. He’s going back Wednesday for the pie auction and again Friday for the beef auction. He acknowledged and said he appreciated Rick Probst for taking the time to look through claims before the meetings.

LATE ARRIVAL INFORMATION - none

PUBLIC COMMENT
Phil Darling spoke about trucks are still going on Sawdon Ridge. He knows the Sheriff’s department is working the area and has given a lot of tickets. He does appreciate the extension the commissioners passed tonight but he was wondering if it could be made a permanent ban. It’s better than in the beginning of the closure of SR 1 but still a problem. Trucks are beating all the roads up. He’d like to see them banned off all county roads unless they have business in the area.
Andy mentioned the county can’t do a blanket ban but the original ordinance for was set up to do a permanent ban if after the SR 1 is opened and it continues to be a problem.
Jim asked Phil to keep an eye out and to continue to let them know.

ADJOURN: Motion made @5:40 by Art Little, seconded by Rick Probst, meeting adjourned.
