

HELP NEEDED TO ASSIST WITH GIVING COVID-19 SHOT

The Dearborn County Health Department is seeking medical personnel to give the COVID-19 vaccination. We are looking for volunteers who are certified in any of the health fields that can give a shot such as nurses, medical assistants, pharmacist, EMTs and students of these fields. There are two paid positions for those that are qualified and meet the requirements. Please contact Mary Calhoun at 812-584-4561 for more information.
