Per the Dearborn County Board of Commissioners Dearborn County, IN will be placed under a “yellow” travel advisory effective immediately. This decision is being made pro-active based on the current overnight snow forecast. We will be monitoring road conditions and adjust the travel status as needed.

A “Yellow” travel advisory indicates the following: The lowest level of local travel advisory, means that routine travel or activities may be restricted in areas because of a hazardous situation, and individuals should use caution or avoid those areas.

Indiana travel status map can be found at <https://www.in.gov/dhs/traveladvisory/>.
