**Subject:** Newly Designated MS4s.

The Indiana Department of Environmental Management (IDEM) has received Notices of Intent (NOI) for the newly designated MS4s receiving this email. This email outlines information and contains attachments related to permit coverage under the Municipal Separate Storm Sewer System General Permit (MS4GP).

All requirements in the MS4GP must be implemented according to the applicable schedules within the MS4GP. The MS4GP can be found on the IDEM webpage at: ([https://link.edgepilot.com/s/a27612e5/UeawSuJXUk6h6iAGVXuF3A?u=https://www.in.gov/idem/stormwater/files/mgp\\_ms4\\_final.pdf](https://link.edgepilot.com/s/a27612e5/UeawSuJXUk6h6iAGVXuF3A?u=https://www.in.gov/idem/stormwater/files/mgp_ms4_final.pdf)).

Permit coverage for newly designated MS4s have been assigned a **specific start date of April 12, 2023**. The MS4GP is effective through December 17, 2026.

MS4s have been assigned a permit number. Attached is a table that lists permit number assigned to each MS4. If an MS4 plans to co-permit with another MS4 in a geographic area, please notify IDEM immediately. Failure to notify IDEM within 60 days of this email may result in denial of co-permit status until the next permit cycle.

IDEM continues to work with several newly designated MS4s to make a final determination.

If you have any questions regarding this email or require clarification on any issue, please contact Staci Goodwin at 317-234-1601 or by e-mail at [SGoodwin@idem.IN.gov](mailto:SGoodwin@idem.IN.gov).
